SPIRITUALITY

ABHISHEK WITH 100 RIVER WATERS

Abhishekam Atma Suddhi:-

Abhishekam is a ritual process to give Mangal Snan (Holy bath) to Baba. Participation in Abhishekam bestows one with external and internal purity. Giving Abhishekam to Baba purifies our body and soul. To commemorate Baba's Mahasamadhi Centennial Celebrations, Abhishekam to Baba will be done with sacred waters from 100 (or more) rivers from all over the world.

Please be part of this auspicious occasion by doing following

- Collect the holy water from the river in a bottle and label it with following
 - ***Name of the River***
 - ***Place from where it is collected***
- Drop off the bottle at the Mandir.
- If your loved ones are visiting this summer, please request them to collect water from as many holy rivers as possible.
- Send us email to spirituality@saisamasthanusa.org with subject "River Waters" for any questions.
